P. Licensing Objectives

General

To promote all four licensing objectives, we will use the following measures:

1. Strong management controls and effective training for all staff, so that they are aware of the premises licence and the requirements to meet the four licensing objectives, with particular attention to the prevention of:

- a) Alcohol sales to underage people
- b) Drunk and disorderly behaviour on and around the premises
- c) The use and sale of illegal drugs on the premises and in the surrounding area
- d) Violent and anti-social behaviour
- e) Harm to any children

2. Operating schedule providing the hours of operation and licenseable activities during those hours

3. Designated premises supervisor to be in day-to-day control of the premises and to provide comprehensive training for staff on the Licensing Act and its implications for making and authorising sales of alcohol

4. Clear 'Challenge 25' policy and information to prevent the supply of alcohol to under-age drinkers

5. CCTV system to be installed with recording option available

6. Roller metal exterior window shutter to be fixed to ensure that shop front is safe and secure at all times

As a licensed premises we know that it is necessary to fulfil the appropriate functions and will operate the businesses with a purpose of promoting these objectives. We commit to supporting these objectives through the operating schedules and other measures (including staff training and qualifications, relevant policies, and strategic partnerships with other agencies).

Prevention of Crime and Disorder

CCTV (with a recording option) will be in operation 24/7, monitoring entrances, exits, and other parts of the premises in order to fulfil this objective.

Management will work closely with police in preventing crime and disorder.

A clear and legible notice will be displayed outside the premises indicating the normal hours under the terms of the premises licence, during which licenseable activities are permitted.

Clear and conspicuous notices will be displayed warning of potential criminal activity affecting customers, such as theft.

P. Licensing Objectives

No alcohol will be sold to drunk or otherwise intoxicated customers.

Vigilance will be shown in preventing illegal drug use in the retail unit area.

Staff will be well trained in engaging with customers to prevent them from leaving the premises with alcohol purchased at the premises, and to prevent prohibited alcohol consumption in the retail unit (such as canned or bottled beer procured elsewhere).

Public Safety

Internal and external lighting will be fixed with consideration for the objective of public safety.

The staff will be fully trained in adherence to environmental health requirements.

Staff will also be fully trained in carrying out underage ID checks.

A log book or recording system will be kept on the premises, in which will be entered details of inspections made in compliance with statutes, as well as information compiled to comply with any public safety condition attached to the premises. The log book or recording system will be kept available for inspection as required by persons authorised under the Licensing Act 2003 or associated legislation.

Prevention of Public Nuisance

All parts of the premises and all fittings and apparatus therein (such as door fastenings and notices, lighting, heating, electrical fittings, heating systems, air conditioning, sanitary systems and other installations) will be kept in good order and in a safe condition at all times.

Deliveries of goods necessary for the operation of the business will be carried out at such a time and in such a manner as to prevent nuisance and disturbance to nearby residents.

The Licensee will ensure that staff who arrive early in the morning or depart late at night after the business has ceased trading conduct themselves in such a manner as to avoid causing disturbance to nearby residents.

Prominent, clear and legible notices will be displayed at the exit requesting the public to respect the needs of nearby residents and to leave the premises and the area quietly. Customers will be asked not to stand around talking loudly in the street outside the premises.

Customers will not be admitted to premises outside opening hours.

The movement of bins and rubbish outside the premises will be kept to a minimum after 11.00pm. This will help to reduce the levels of noise produced by the premises.

Any lighting on or outside the premises will be positioned and screened in such a way as not to cause a disturbance to nearby residents. Adequate waste receptacles for use by customers will be provided in the local vicinity.

Protection of Children from Harm

The premises will adopt a 'Challenge 25' policy. 'Challenge 25' is a retailing strategy that encourages anyone who is over 18 but looks under 25 to carry acceptable ID (a card bearing the PASS hologram, a photographic driving licence or a passport) if they wish to buy alcohol, by requiring servers to request ID from anyone who looks under 25. A sign will be displayed announcing the use of the policy, and staff will be thoroughly trained in requirements for identification, establishing customers' age, etc.

Full details of training will be provided in the Training Record Book which will be kept available at the venue.
