PRIMARY INVESTIGATION DETAILS : 1 Immediate action standing by the bar. Both are in an agitated and excitable state. They are spoken to and both confirm they have been involved in an altercation with an Asian group who were also in the restaurant and that it all started over where SUS2 had parked his car in the front car park.

SUS2 was alleging that he was trying to pay for his food and a large Built Asian Male (SUS 3 on this CRIS) approached him and was rude to him about where he had abandoned his car because it was blocking in other vehicles. He states that a fight started. SUS1 was also talking and was complaining about a small eye injury she sustained in the fight. Officers could see a minor red graze under her left eye.

The restaurant was very busy and loud and both SUS 1 and 2 were shouting over each other so were asked to join officer out the rear of the restaurant so an account could be established.

SUS1 and 2 are standing by the Bar, they are approached by SUS3 who stands 3/4 feet from them. SUS3 appears to be remonstrating and after what appears to be a verbal altercation between SUS1/2/3 SUS 2
