PC 235148 182QA C GILL

PRIMARY INVESTIGATION DETAILS : 1 Immediate action

1. CADs 9081 /12apr15 and linked refers, officers PC161QA Edwards and PC182QA Gill attended the venue on 12/04/2015.

2. This incident appears to be spill over from an incident which happened on QK sector at the Everest Bar/The Honeypot.

We were initially called by an anonymous male to reports of one male trying to get away from a group of others. We arrived on scene and nothing was seen in the area on Everton Drive. Whilst on route back two IC4 males were seen running after another IC4 male who was about 100 yards ahead. The lone male was found hiding in a bush and was detained and a minor cut to the side of the bridge of the nose. He was drunk, this male was [REDACTED] (viw1) who stated that he was running from a group of men and was running for his life. He was very animated and fisgety and was cuffed and brought to the police car.

The other two males were stopped also away from the victim and were spoken to. These were [REDACTED] (viw2) and [REDACTED] (viw3)

They state that they were giving chase to the victim as they believed that he was involved in an altercation inside the Everest bar. QK cad list checked but no calls to the location were recorded. We were assisted by Q3N who assisted in going to the Everest bar to see if there were any victims/witnesses to any crimes that may have happened but nobody including the staff mentioned to officers that anything had happened.

Viw 1 gave description of a male who had punched him as being an IC4 male, chubby build and wearing a chequered shirt possibly blue and black checks. He said that another male named [REDACTED] sus2, had initially

may be [REDACTED]

This did not match the description of viw2 and 3 and as such were released.
