

Statutory Notice

Alteration to Uxendon Manor Primary School

Notice is given in accordance with section 19(3) and 21(2) of the Education and Inspections Act 2006 (as amended by the Education Act 2011) that the Governing Body of Uxendon Manor Primary School intends to make a prescribed alteration Uxendon Manor Primary School (Community), Vista Way, Kenton, HA3 0UX (Department for Education number 3042020). The nursery provision of 60 part time places will be unaffected.

Uxendon Manor Primary School is a community school with a planned admission number of 420 places (2 forms of entry i.e. 2 classes in each year group) for boys and girls between the ages of 4 – 11.

Brent Council in partnership with the Governing Body of Uxendon Manor Primary School is consulting with staff, parents and the community on the option to expand the school by two forms of entry (2FE) to become a 4 form entry school (4FE) by September 2015. The expansion will provide an additional 60 permanent places (2 classes) in each year group (420 new primary places in total). If the proposal to expand is approved the increase in number of permanent places at the school will be gradual until the maximum of 840 is reached in September 2021.

The enlarged Uxendon Manor Primary School will continue to offer mixed provision for pupils in Reception to Year 6 and the school will remain a Community school.

The proposed accommodation for the expansion by 2FE would be of a permanent high quality construction, housed mainly in a new two storey modular building that links to the main school building. It will be designed to optimise educational standards and include class facilities that will maximise the learning and teaching environment e.g. provide greater natural light, optimal room sizes, direct circulation around the building and link with the outside space. The main building will remain largely as existing; however the main school hall will be demolished and a new expanded main hall will be built in the same location, suitable for community usage. Two older temporary rooms will also be demolished and replaced by teaching accommodation in the new building. Building work is expected to start in early 2016 (subject to required approvals) and complete in 12 months.

The Local Authority has completed a feasibility study which confirms that the provision of two additional forms of entry primary provision is possible within the current school site, subject to planning permission. All applicable statutory requirements to consult in relation to these proposals have been complied with. There will be no change to the existing Special Educational Needs

arrangements at the school. There will be no change to the current admission arrangements at the school.

Explanatory Notes

- **All children currently on roll at Uxendon Manor Primary School will remain pupils of Uxendon Manor Primary School.**
- **It is anticipated that off-site construction will be used as much as possible to reduce disruption on-site. Works to the existing building will be addressed sensitively (and phased accordingly) in view of the need to maintain the current operations of the school during construction.**
