Dear Sir/Madam,

RE: STADIUM SUPER MARKET 129 WEMBLEY PARK DRIVE, WEMBLEY HA9 8HQ

We are strongly against to the opening of a new Off- licence shop at 129 Wembley park drive by owners Mr Liakath Miah. We have a anti-social behaviour from drunkard people in this area now, to minimize the problem we don't want any more new off license in this area.

So, please kindly don't grant any more off license in this parade.

Thank you so much in advance.

Regards,

Dear Sir/Madam

I would like to object to the application made by Mr Liakath Mia of 129 wembley park Drive, trading as the stadium supermarket .On the following grounds (A) There is already enough off licence premises selling alcohol in our parade and across the road.(B)It encourages people to buy alcohol and consume it on the streets and around the corners in the alleys .(C)These same customers then litter the streets and urinate in our doorways and alleys.(D)On event days we have great problem in monitoring these same people bringing alcohol they have bought at these off -licence and then using our facilities .(E)The above premises is right next to the bus stop and people are regularly sitting and drinking at the bus stop which is a inconvenience to other people.

We know it is a free market and people should have the choice where to buy their alcohol but it is affecting our licensed trade in a very negative way .So please consider the above points before you grant any further off-licence premises in our parade.

Yours faithfully
