Objection regarding off license application on [72 craven park road](#), NW10 4AE, London
Hi
My name is Ali and I am a local resident and live on craven park road, as there are already more than 4 off licenses nearby and due to that at night there is a lot of disturbance, and as 72 has also applied for a 24 hour license I believe that this will cause more trouble and disturbance in the area, which we already are facing so i wanted to put and objection against the applicant. I am also ready to go in court with all other neighbours, please contact me on:
Thanks very much and I really hope you put forward my point and hopefully reject another off license in this particular area. Sincerely please we don't want any more off licenses in this area
Thanks very very much
