## PROTECTIVE MARKING

As a result of several incidents Police have no faith in the ability of the management to operate the premise responsibly under the current authority and therefore wish to bring the matter before the sub-committee for consideration. Police are primarily concerned with the severity of the crime and disorder occurring from the venue as a result of complete disregard of the existing conditions.

On the 5th January 2015 a warning letter was issued after the CCTV was found not to be working, this came to light in the investigation after the assault on 3rd January 2015.

In addition to the existing conditions Police would like the following attached to the licence:

1. Door supervisors of a sufficient number and gender mix, shall be employed from 21:00 hours on any day when the premises are open to the public past midnight.
2. A register/log containing the names, badge number, dates & times of duty of security staff and any incidents that occur shall be kept and made available to the Police and Licensing Authority.
3. Door supervisors shall wear clothing that can be clearly and easily identified on CCTV.
4. Notices explaining the licensee's policy on admission and searching shall be placed at each entrance.
5. No entry or re-entry shall be permitted after 23.00 hours.
6. Toilet checks hourly which must be logged and signed off
7. Drug policy and increased signage
8. No use of the back yard
9. The rear fire door (which cannot be locked) will be alarmed
10. Toilet areas to be treated daily to prevent drug usage
11. A personal licence holder is to be on duty at all times throughout the hours of opening.
12. There are to be documented staff training records

Cris 1900147/15 S008/01 GBH/Wound JONO'S PUB,458,CHURCH LANE,  
LONDON,NW9 8UA Glass window was smashed at the front entrance door 03/01/2015 0204

I was driving QK80N and I was assigned to an I grade call along with a couple of other units to attend JONO'S PUB, 458 CHURCH LANE, NW9 8UA. The initial call was to 40 males fighting in the pub. I was first on scene and it was clear a disturbance had taken place at the venue. The front glass doors to the pub had the glass smashed in them and there was broken glass scattered inside the pub. From a licensing point of view the licensee a Mr Kenneth McCORMACK dob 13/12/1962 made himself known to me however he was very vague with information.

The majority of people present in the pub were there for a 21st birthday party, apparently a group of 4-5 males who were not a part of the party were drinking in the pub. An argument between this smaller group and a couple of males from the party has escalated into a fight, as a result one male from the party was hit over the head with a glass and a second male hit over the head with a stool. Both suspects were from this small separate group of males. There were approximately 40 people in the pub on our arrival, they were not local to the area however they seemed convinced the smaller group were local guys who drink in the pub regularly. The landlord and the bar staff stated they did not know the group nor could they provide any kind of descriptions of any of these males despite them having stood close to the bar for much of the evening and ordered drinks. I suspect the landlord and bar staff know more than they were letting on to us. This is partly due to the suspicious behaviour of one barmaid who is the landlord's daughter, she took a phone call whilst officers were present and was very quick to take the phone outside to speak out of officers ear shot. Furthermore the pub has no CCTV cameras in place, I asked the landlord Mr McCORMACK if I could see his licence and he stated he had not been sent it yet from the council and he has been waiting since August 2014. When asked what time he had a licence to serve alcohol till he said it was 01:00 and he was doing last orders till 01:20. We arrived on scene around 02:10 and there were full glasses of drinks on tables, I don't think the landlord was being entirely honest with officers regarding what time he served till and I also believe he withheld information about the suspects. In total there was 4 CADs in relation to this incident, 728, 736, 790 and 859. Also for reference Cris 1900147/15 is in relation to this incident. This email is purely for information purposes only, if you require anything further please don't hesitate to contact me. PC Tej Johal

1905532/15. 8/3/15 outside venue - On being searched under S32 PACE a small wrap of white powder was found in his left trouser pocket. When asked what it is, he replied "That'll be a further arrest."

He was further arrested for possession of a class A drug at 1645 hours. The substance has been EDIT tested in custody and confirmed as cocaine. Summary - D stated that on 8th March 2015 whilst he was at his home address he had been drinking a little and he wanted to go to the pub but his wife did not want him to so they got into a verbal argument which took place in the flat and spilt out onto the street up until the taxi took him away. He denied in assaulting V in any way and said that she had done this because she didn't want him going to the pub without her.

With regards to the drugs he fully admitted that it was his and for his own use. He said that he paid £20 for it from an unknown male. He said that he did not have the drugs in his house and he would not do that as his daughter is there.

1911025/15. 13/5/15 outside venue - On 13/05/15 at about 2000 hrs Susp1 was stopped after he was seen getting out of a white Citroen VRM RE13FCA and walking towards JONO'S PH. He was stopped just before he reached the pub and was extremely nervous. He was detained for a search Sec 23 MDA. Prior to search PC MORRISON 384QK asked - Q: "HAVE YOU GOT ANYTHING ON YOU?" A: "YEA I HAVE" Q: "WHAT HAVE YOU GOT?" A: "JUST A COUPLE OF LINES. FOR MY OWN PERSONAL USE". He was searched and found to be in possession of a yellow KINDER EGG containing a wrap of suspected cocaine. PC MORRISON therefore arrested him at 2003 hrs for possession of Class A drugs. No reply to caution. Susp2 was also detained for a Sec 23 MDA search after getting out of the car shortly afterwards. Nothing was found initially but when he was informed he was going to be strip searched he admitted having cocaine concealed in his underwear. He was therefore arrested by PC SYMONDS 529QK at 2011 hrs for possession of cocaine. After being booked in he was strip searched where he was found to be in possession of a KINDER EGG containing Three (3) wraps of suspected cocaine.

1919785/15. 25/8/15. On the 25.08.15 between the period of 16:15 and 17:00 the victim had their mobile phone stolen from behind the bar whilst it was charging. The victim Rebecca MCCORMACK is a member of Bar Staff who works at the venue. The victim Rebecca left her Iphone 6 behind the bar charging at approx. 16:15 she returned to check it at 17:00 when she realised it was gone with the charge still connected to the wall but the phone missing.

1923232/15. 5/10/15 outside venue. at approximately 1425 hours police were called by VIW1 who stated a male had been attacked outside his pub. The victim was a customer who stepped outside and then came back in with his head spilt open. VIW1 stated he had cleaned blood off the front door. Police arrived at the location and spoke with VIW1 who further stated that he tried to assist the male who was with two other males, all Irish but they refused and told him they did not want police. These three males then got in to a cab and left prior to police arrival. As police gathered the above information from VIW1 a second call came in from VIW2 stating the SUS's got in to a white Ford Fiesta REGISTRATION BC15EHE and it was parked outside the CO-OPERATIVE on CHURCH LANE. Police made their way too that location but the vehicle had already gone. Both SUS's and the victim of assault had left the location and could not be traced.

1925951/15 Subject made off from police in an alleyway. Cannabis and Class A drugs recovered. Arrested.03/11/2015

A dog unit attended and a further yellow kinder egg was found which contained 6 wraps of suspected cocaine also wrapped in lottery tickets. This was exhibited as ROD/01.-4/11/15 NM

Hi Nick, I was out with the Gangs unit last night when we went into Jono's PH. This place needs a serious look at it's licence. The female (daughter of landLord) was serving behind the bar. Her attitude, although ok, indicated to me that she was fully aware of what was going on in the pub. She was in conversation with another punter trying to defend the guy who was nicked. Not the behaviour wanted from someone working behind a bar. The bar bench seats were loose with a vast space beneath suitable for hiding drugs. I told her these needed to be nailed down. The bins in the back yrd were also unlocked allowing for dealers to keep their drugs inside (Kinder egg with wraps in found inside by drugs dog). There is no/little lighting in the back allowing for a 'blind eye' to be made re the drug dealing. I have no doubt that the landlord knows exactly what is going on. The bar woman was unable to contact her Father for most of the time there as we wanted the CCTV and she had no idea how to work it. ..apparently. When I told her customer would remain in police custody until we obtained the CCTV she then suddenly was able to make contact with him. From speaking to PS Braithwaite his team have spoken to the landlord in the past about the 'customer' drug dealers he serves but this has not been acted upon.

1926041/15 burglary 03/11/2015 15:00:00 Upon arrival, police spoke to VIW1 who stated that he owns the pub and it was discovered by VIW2 that the pub had been burgled. The pub had been left secure last night 03/11/2015 at 2330 hours by VIW1. VIW2 went to the pub at 0710 hours this morning and found that t had been broken into and informed VIW1. VIW2 stated that he is the cleaner and went to turn on the lights but tripped over wires behind the bar. Upon turning the lights on, he found that the sky and cctv systems had been stolen, there was an untidy search behind the bar, The fruit machines had been smashed and the money had been removed, A vodka bottle had been taken from behind the bar and thrown at one of the fruit machines. VIW2 checked the windows and found that none of them had been broken then realised that the back door was ajar and entry must have been gained that way. There was also a chisel found behind the bar that does not belong to VIW1 or VIW2, it is believed to belong to the suspect. There were wood chippings on the floor by the back door suggesting they used it to enter the building.

Spoke to the occupant upstairs who said that she heard noise at 0300 hours, she heard someone at her door and thought someone might be trying to break in. The door to her flat is also accessed through the back alley.-5/11/18 NM
