Dear Sirs

RE: SIDNEYS OFF LICENCE, 216 EALING ROAD

We the unsigned residents living near Ealing Road write this letter to support Sidneys Off Licence application with Brent Council. We were made aware that Brent Council trying to impose conditions on Sidneys Premises Licence with regard to the sale of alcohol.

We give below the following for your consideration:

1. Sidneys Off Licence have been trading over 15 years in the Ealing Road.
2. We have good relationship with Mr & Mrs Sivapalan who are very kind and courteous towards us all the time when we attend the shop premises.
3. We never witnessed any incidents inside the shop premises that caused concern to the residents living around Ealing Road.
4. We note that there are 7 betting shops in the Ealing Road where we notice anti-social behaviour people standing outside and drinking.
5. We also note that there are 7 other off licence premises operate in the Ealing Road that are allowed to sell alcohol. Under these circumstances we cannot accept the Brent Council's decision impose conditions on the Premises Licence of Sidneys. The Sidneys' cannot be held solely responsible for the anti-social behaviour around that area.

①

6. Ealing Road consists of various food stalls, jewellery shops, textile shops and restaurants. People from Europe come to Ealing Road to buy items such as jewelley, textiles from these shops. The Ealing Road is a very busy road with people moving around all the time in order to buy things. These people also gather around the area that can be witnessed all the time.

To whom it may concern,

RE: Sidney's Off Licence

I have been a regular customer of Sidney's Off Licence for many years and have a good rapport with the owners, Mr and Mrs. Sivapalan. Restrictions to their licence would be a great inconvenience to me, as it would mean I would have to purchase my liquor from much further down Ealing Road. I feel more comfortable shopping at Sidney's as the owners are of good repute and I have never had any negative experiences inside or directly outside of the shop.

I firmly believe that the incident of a minor being sold alcohol was isolated. Mr. and Mrs. Sivapalan were on holiday at the time and although they try to ensure the vigilance of all staff, on this occasion, a mistake was made. With the owners' years of experience, I know that they can guarantee that it would not happen again and would take measures to that effect.

Thank you for your time and I hope that you take in to consideration what a convenience Sidney's Off Licence is to the local community.

Yours Faithfully,

Hamraz Ahsan
