The Service Director,
Safer Streets Division
Brent Civic centre
Engineers Way
Wembley
Middlesex
HA9 0FJ

Dear Sirs/Madam,

I am writing to you concerning the store 'Costcutter' on 46-48 Harrow Road, Wembley, Middlesex HA9 6PL as it has caused problems in the area. Not only has it contributed to the nuisance in the local area but due to the selling of alcohol, the prohibition of consumption of alcohol in the local area is increasingly being flouted. Those consuming alcohol loiter the residential area and this is very worrying as we have a lot of children in this area. Most likely numbers of the empty bottles and cans thrown in our yard will be increased.

We currently have enough stores within the area therefore I am petitioning against the opening of this new store.

Also we would like to bring your attention towards environmental issue. Rubbish are piled up at back of the store, this might help the mouse population to grow. Please help the Monks Park community.

Yours faithfully,

Monks Park
