 LOCAL POSTROOM

We, the citizens of Monks Park, Wembley petition to Brent Council against the Premises Licence for Costcutter, 46-48 Harrow Road, Wembley, HA9 6PL.

Reasons for objection and key concerns are:

- There are street drinkers and people already drinking in the park. Causing nuisance and litter. Leaving cans and bottles everywhere.
- Causes anti-social behaviour and loitering on the corners of surrounding streets and in the local park.
- There are already many shops along the parade that already sell alcohol and this one will add no social value to the area.
- People are sleeping rough in the park and the shops that sell them alcohol take no responsibility about the amount sold to them and this license will only increase street drinking and more problems for the council to deal with.
- Local people especially young children are already weary of walking the streets alone due to the impact of people drinking excessively.

This license is not required.

I request this petition by local residences is taken into consideration.
