Tick if witness evidence is visually recorded (supply witness details on rear)

This typed statement is my original notes of evidence commenced at 04:50 hours at Wembley Police Station as soon as practicable after the events and booking into custody. Notes were made alone.

On Friday 18th March 2016 at approximately 00:50 hours I was on patrol in the Wembley area. I was on duty in full uniform posted as driver in a marked police patrol vehicle call sign QK25N, my operator was PC MORGAN 258QK. We received a call via our personal radios to attend THE COCK TAVERN public house located at 125 KILBURN HIGH ROAD, NW6 where a male was alleging he had been bitten by a bouncer working at the premises (CAD 404) refers.

We arrived on scene at 01:09 hours and as we pulled up near to the venue a male made himself known to us stating he had called Police. I now know this male to be [redacted] noticed the male had a bloody right nostril and a cut around the tip of his nose. Mr [redacted] said he had been bitten on his nose by the bouncer from THE COCK TAVERN, he said he had done nothing wrong and the bouncer bit him. I asked Mr [redacted] describe the member of door staff that had bitten him and he said he's a big black guy dressed all in black with long dreadlocks in a ponytail.

PC MORGAN remained with Mr [redacted] just outside the venue and I walked inside to locate the other party involved. As I walked into the venue there was no one by the door, as I opened the door to enter an IC3 male approached the door. He was dressed in black had a large build and long dreadlocks in a ponytail. I asked if he worked the door at the venue and he said yes. I asked the males name, I now know this male to Mr [redacted]. I asked Mr [redacted] if they had problems with any patrons tonight. As I asked the question Mr [redacted] looked outside and could see Mr [redacted] stood with PC MORGAN. Mr [redacted] was quiet for a moment and I explained I needed him to tell me what had happened.

Mr [redacted] said words to the effect of "he was inside, the bar staff wanted him removed so I told him to leave. He wasn't happy but left without a fuss. Once outside he walked off but then suddenly he came back and this time he was in my face. Kept asking for his gear I didn't know what he was on about so I told him to go home. He wouldn't go and just kept getting in my face so I nussed him." I asked Mr [redacted] to confirm his headbutt had caused the injury to Mr [redacted] nose and he said yes.

Continuation of Statement of **Tejpal Johal**

I explained to Mr [redacted] that due to Mr [redacted] having made an allegation to Police and being clearly injured officers would need to arrest Mr [redacted]. Mr [redacted] just nodded. I asked Mr [redacted] for his SIA identification card and he looked blankly at me before giving his pockets a cursory tap in search of his ID. Nothing was on display on his arm or clothing as is required. I asked Mr [redacted] if he definitely had SIA ID and he said yes but he wasn't sure where he had put it.

I went outside and informed PC MORGAN that Mr [redacted] had told me he had headbutted Mr [redacted] and so needed to be arrested for ABH. I informed our control an adult male was being arrested and we required cell space and transport. QK21N kindly offered to transport for us. After a few minutes QK21N arrived, PC MORGAN had arrested Mr [redacted] and was escorting him to Wembley custody in the rear of QK21N.

I drove Mr [redacted] home and took a victim statement from him. I also took two photographs of Mr [redacted] injuries that I exhibit as follows:

TSJ/1 - pic of nose injury to Mr [redacted] of serial no. MPSZ07724679.

TSJ/2 - close up pic of nose injury to Mr [redacted] ref serial no. MPSZ07724680.

Notes completed at 05:20 hours.
