Subject: Licence Review Case Ref: 223602318 Just Deals Grocers & Winemarket, 34 Station Parade, NW2 4NX

Dear Sirs, I am a resident of [REDACTED], which is next door to the above-mentioned shop. I have lived here for almost 15 years. I would like to add my name to the list of local residents who strongly oppose the licence to sell alcohol granted to this business. They sell alcohol 24/7 to anyone, regardless of age, state of drunkenness etc. This has resulted in such serious anti-social behaviour outside Cassandra Court that residents are now considering spending thousands of pounds per flat on measures to keep drunken men out of our car park in the daytime & drunken & drug taking teens out during the night. The ASB includes: Frequent urination & defecation in the bins area, throwing of glass bottles into the car park, intimidation of residents including actual assault (reported to police), drunken teens having sex in the bins area, drug taking & dealing in the car park & around the shop at night, rubbish & food debris thrown into the car park, drunks sleeping in the bins area & many more instances. I have seen alcohol being sold to obviously under age teens at night & last week, when using the shop to buy cigarettes on my way home at 11pm, I was told by the young man behind the counter that they had no cigarettes left in stock but then was offered cigarettes from Poland from under the counter. None of these problems existed in this street before the opening of this business, so it is negatively impacting the lives of many local residents & creating an atmosphere of fear in the neighbourhood.

I sincerely hope that these issues will be taken into account when reviewing the licence granted to this business.

Yours Faithfully,
