

APPENDIX A

Appendix A to the report refers to the following petition that was signed by 880 residents;

“Brent Council should consider the views of the local community and look at the issue of parking in Temple Road. The request is to reduce the current timings to 10:00am – 3:00pm as in the neighbouring GA CPZ zone. This will help with the health and safety of the community and the local health club members in particular older and female members. We feel that the current meter charges are excessive with rates of £4 for 2 hours which are double compared to rates in other Boroughs.”
