

Dear Head of Regulatory Services

I would like to voice my objection in regards to the planning application made by (Coco) 110 Willesden High Road London NW2 for late closing at 2am Thursday, Friday, and Saturday.

I believe that this would be unacceptable because being where they are, parking is bad at the best of times but the late opening hours on Thursday Friday and Saturday would make it impossible for parking, especially on Churchill Road. Plus the *slamming of car doors, alarms going off, loud music and voices leading up to 2 o'clock in the morning*, plus the possible increase in vehicle crime brought to the area by people praying on the customers of the establishment. This I believe would destroy the quality of life in the area at present.

Could you please consider a respectable closing time that would be enjoyed by all involved.

Regards
