Subject: Objection - Late Licence Application - Co Co b's, 110A High Road, NW10 2PN

Dear Sir/Madam

I am contacting your department to register an objection to the late licence application presented to you by Co Co Bs, 110A High Road., NW10 2PN. I believe the latest we can register an object is 28th September 2016. This email is dated 19 September 2016.

The proprietors of Co Co Bs, 110A High Road., NW10 2PN are requesting a late licence. Incidentally, there is very little information provided in the window of these premises or indeed online via the Brent Council for local residents to establish exactly what this new establishment will be. This is unacceptable. However, we have been led to believe that it will be a restaurant.

I strongly object and oppose the late licence that they are requesting. They are asking for a 2am late licence. This is not in line with other businesses in the area and the business is positioned at the top of Churchill Road, a quite residential street full of families and elderly folk. I speak on behalf of my family. I am a resident of Churchill Road and I am a mother of 2 children and do not want to have an establishment with a late licence operating at the top of our road.

There are possible consequences to such an establishment operating this late and into the early house of the morning. For instance, loud disturbances with parking cars, taxis, and of course loud voices. There is the added worry and possibility of attracting criminal elements to our area such as drug dealing and harassment.

I strongly object to the request of Co Co b's. I believe this new "restaurant" (as we have been informed it will be by a person who was doing the building work) should operate identical opening hours as other restaurant businesses in the area such as *The Social* at 21 Walm Lane NW2 - a Tapas restaurant (this is open until 11pm) and *Sanzio Restaurant* at 26 Station Parade - an Italian restaurant (open until 11pm). No exception should be made and this extended licence should not be granted as this is a residential area and the disturbances are too harmful and impactful to the local residents.

I look forward to receiving confirmation that you have read and received his objection.

With best wishes
