Subject: RE: Sahara 5-7 Wembley Hill Rd review

Hi Nicola,

We took action under s178 of the Town and Country Planning Act on Saturday 7th January as the premises was operating in breach of a planning enforcement notice which required the use of the premises as a Shisha Café to stop. It was clearly carrying on in criminal breach of the enforcement notice (several people were smoking shisha's when we arrived) and so we removed items associated with the unauthorised use. This included shisha pipes, flavourings, speakers and other HiFi equipment. To be clear the premises can not be used as a shisha café or similar type of established. If it is used as such it is a criminal offence under section 179 of the Town and Country Planning Act because it is a breach of the attached enforcement notice. Therefore the use of the premises should have stopped.

I have copied in Business Licence so this can be included in the review of the license

Kind Regards
