Dear Sirs

I would like to object to the application to open a business with an entertainment licence at the above property.

This property is in the middle of a residential area with lots of families with elderly people and young children alike.

We object on the grounds of the noise and inconvenience this will cause.

I [REDACTED] was plagued with noise pollution and violence from this when it was open as D'Den restaurant.

The customers would leave in the very early hours of the morning screaming, shouting, arguing, fighting, and playing loud music in the vehicles they were getting into, sometimes congregating around such vehicles for hours.

This affected me getting up for work in the morning and my children getting up for school.

My mum is an OAP and has suffered from serious health problems the last few months. [REDACTED]

As a family we object to this application as we believe that this will happen again as the customers and staff/managers have no consideration for their neighbours.

Kind regards
