Dear Gillian Murray

We most definitely want to object to any application for either last night food/refreshment or drinks alcoholic or not. If you please get in touch with your own department for Noise Nuisance you will see how many times in the past you were contacted with regards to noise from D Den when it was operating previously. This part of the Broadway has residential units above all the shops, we have tenants at ***** across the road and also five flats at ***** Cricklewood Broadway, most with school going children and all were disturbed by late night noise in the past. People outside talking, occasionally outside fighting, cars coming and going, it was hell. We are absolutely dumb founded that an application would be considered after all the trouble in the past. Why would you even consider an application for alcohol use till 5.30am and yet allow residential units, which you charge council tax for, all around that unit. Please explain that to me.

Regards

Dear

Thank you for your email.

The applicant has removed the requirement for entertainment at this address so the application is now for Late Night Refreshment (hot food and drink after 11pm) and Alcohol for the following times:

Sunday to Thursday until 03:30:hrs
Friday & Saturday 05:30hrs

The proposed opening times are 10am until 4am Sunday to Thursday and 10am until 6am Friday night and Saturday night.

If you still wish to make an objection, please revise your representation to reflect the amended activities and let us know which of the following 4 Licensing Objectives you would like to take into account:

Prevention of Crime & Disorder
Prevention of Public Nuisance

Public Safety
Protection of Children from Harm

Kind regards

Subject: Objection to Music license at D Den - 47 Cricklewood Broadway, London NW2

Dear Sir/Madam

Re: D Den - 47 Cricklewood Broadway, London NW2

I write to advise that I own a flat at *** Cricklewood Broadway and we manage four flats at **** Cricklewood Broadway, London NW2. In the past D Den has had the noise abatement people around on numerous occasions and am horrified that you may grant them a licence to 3.30am on a weekday and 5.30am over the weekend for music. The music is very loud and not to mention the behavior of the people when they come out in the early mornings. It has been so peaceful, quiet and no trouble over the last few months the restaurant has been closed.

I totally object to the license for music so late at night. This is a very residential area with lots of residential flats above and to the side of D Den. Can you please take into consideration of the people that live nearby. I am sure you would not like especially loud music below where you live till 3.30 or 5.30am in the morning. I do not mind if it was just an ordinary restaurant but with with no music.

Yours faithfully
