Hi Nichola,

Due to the way that the premises has been operated which we agreed to help in good faith. None of the online systems which we tried to implement have been used. So as a bi product of this there is no information to send over to you. The only information will be handwritten on site. As discussed on the phone unless there are some dramatic developments we will not be engaging with the venue going forward. Should you have any further questions please do not hesitate to contact me.

Dear Dave

I am writing to request a copy of the incident log for the your staff at the above location on 17-18th December 2016.

Two males were chased and one seriously assaulted in South Way Wembley. Both suspects and victims had been customers at the club earlier that night and apparently the victim said he was refused re-entry (he did not elaborate why).

For continuity of the case I am trying to ascertain their behaviour and what occurred earlier in the evening to result in the serious assault.

Regards
Nicola
