Dear Mr. Aryubi,

Thank you for your email and I apologise for the delay in replying. I am afraid that the police will not be changing our stance on this application. This matter will now be scheduled to be heard by the licensing committee for a decision to be made. You will be given the opportunity to speak with the committee directly during the hearing and to put your views across. Other responsible authorities may have already agreed conditions with you, however, we have the right to ask for a refusal where we feel that reasonable evidence/grounds/circumstances exist.

Kind Regards,

Paul Whitcomb PC 782QK

Dear Mr Whitcomb,

I will be utterly grateful to you if you kindly allow me a permit of selling alcohol in light of imposing any conditions on me as Trading Standard Agency has imposed upon me. Sir, I will obey them religiously and yet again if you find me in breach of any of the imposed conditions, then you will have every right to take any action in the line of the law.

Declaration:

"I Mohammed Hashim Aryubi would like to be imposed conditions on me by the police rather than any hearing to be set out at present if possible. I will obey them religiously. I will

sit myself on a strict basis in the shop and howsoever be found at the counter will be a only authorized responsible person of the team in the absence of mine on behalf of my company".

I now looking forward to hearing a affirmative outcome in my said request at its earliest convenience.

Many thanks in anticipation.

Kind Regards,

Hashim Aryubi.
