Hi

Aryubi Express Ltd was prosecuted by TS on the 7/6/16. The company was prosecuted by us on the 7/6/16 at Willesden Magistrates Court and pleaded guilty to all charges. The Company was fined £1000 and ordered to pay costs of £961. One of the offences related to tobacco products which were illegal to be in possession for supply here. I have attached the summons for information.

I am therefore requesting that certain conditions are placed on the licence. These are as follows:

- **All persons buying stock to be authorised in writing**
- **List of 'authorised' persons to be made available to police and trading standards**
- **Goods to be purchased only from established traders**
- **No purchases from door to door sellers**
- **Seller's name and address, to be recorded**
- **Copies of invoices and receipts to be kept for 2 years.**

Regards

Anu
