Venue Name	Wakins Folly	Start Date	23rd April 2016
Venue Address	Empire House, Empire Way	End Date	23th August 2016
	Wembley	Borough	Brent
	Middlesex	Officer Completing	PC 782QK Whitcomb
Postcode	HA9 0EW	DPS/License Holder	Mr. Martin Gaughan (PLH) & Ms. Claudia Muresan (DPS)

Actions to be implemented:

Drunkenness: Following several late night violent incidents at the venue, I have reviewed these crimes and note that drunkenness has played a part in fuelling incidents. The following actions aim to assist you in preventing sales to drunks. Staff must be aware that selling alcohol to a person who is already intoxicated is a criminal offence, contrary to section 141 Licensing Act 2003, for which a police officer can issue a fixed penalty notice of £90. Such bad practice leaves a licensed premise open to scrutiny from the police and licensing authority. This is likely to result in a review of the premises licence. Such sales can be avoided by adopting good practice measures such as training of staff. In respect of action one (1) below, it is sufficient for the licence holder or DPS to deliver some basic licensing training 'in-house'. This should be around serving to drunks, age verification and going through existing conditions attached to your premises licence.

1. Any staff directly involved in selling/supplying alcohol for retail to consumers and managers will undergo training of basic Licensing Act 2003 legislation. This will be documented and signed for by the DPS and the member of staff receiving the training. This training log shall be kept on the premises and made available for inspection by police and relevant authorities upon request.

2. No sale or supply of alcohol may be made to any person who appears drunk.

No Entry/Re-Entry: During our meeting we spoke about the late night violent incidents which have occurred over the past few months. You expressed a concern to me that when customers come into your pub late, it is often difficult for staff to assess how much a particular customer has had to drink already. You told me that this often leads the customer to becoming quite drunk after a pint or two. You also told me that your last entry time into the pub is at 1.30am and you close at 2am as per your premises licence. Police would suggest, with the late incidents you have been encountering, this last entry time is too late. To help you better control drunkenness and those who come to your pub after pre-loading on alcohol elsewhere, police suggest that the following conditions is adopted in respect of entry times:

3. No entry or re-entry shall be permitted after 12.00am hours.

As mention at our meeting this policy could be implemented by your door team and as Mike suggested, re-enforced using posters at the point of entry/exit.

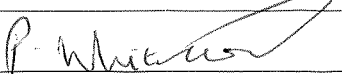

Please also incorporate condition six (6) of your premises licence which relates to drunkenness:

4. 6. Adequate provision shall be made for:

- Preventing the admission and ensuring the departure from the premises of the drunk and disorderly, without causing further disorder
- Keeping out excluded individuals
- Maintaining orderly queuing of customers wishing to gain entry.

The period of this voluntary action plan will last for the next four (4) months. This action plan is NOT legally binding. The primary aim of the action plan is to assist you in upholding the licensing objectives and to help prevent a review of your premises licence in the future.

End Date: 23rd August 2016
