To whom it may concern,

I am writing to you as I understand that Greene's Neasden is to lose their licence.

Greenes is a very important part of our community here in Neasden; without Greenes there is nowhere else like it that people can meet in the evenings. We regularly visit and find the staff and regulars to be welcoming and it would be very much a shame if we could no longer do so.

On behalf of the team @ SimplySigns, I hope that you can reconsider this decision.

Regards,

[REDACTED] Production Manager
