Dear Sirs,

I hereby write to request a meeting with the police licensing team on the above premises.

The applicant has contacted us to support with the variation of hours application which was not proper as per the email below.

And importantly the applicant has supplied alcohol beyond the opening hours and it was witnessed by the police.

The applicant has been running this business for long time and he regrets this has happened due various reasons. He promises it will not happen again.

We would like set up a meeting with you to discuss this matter and we also like to discuss the variation application.

Could you please give us a time either this week or next week or I can be contacted on 07803 903 897.

Many thanks

Yours faithfully

Subject: Application to vary Premises Licence

Dear Mr Rasitharan,

I tried calling this morning, this is to inform you that your application to vary the premises licence has been rejected. Your application form was not completed correctly and our licensing inspector informed that you have made changes to the layout of your shop.

Please take down the notices on display as these are not valid.

If you would like to resubmit the application, please ensure that all the times are completed correctly. As I mentioned in a previous email, you specified the alcohol sales time to be until 3PM not 3AM. We would also need a current plan to be submitted with the application.

I look forward to receiving the new documents in the post.

Kind Regards,
