Dear Terry,

## **816 Harrow Road Sudbury Town HA0 3EL**

I happened to pass by your premises at approximately 8 pm last evening – Wednesday, 16 November 2016 – when I observed 7 young Asian men drinking, smoking and indulging in antisocial behaviour e.g. shouting, shoving, wrestling etc. and spitting paan outside your premises.

This is not acceptable.

I reported this incident to the Police and was given a CAD number 8295 / 16/11/2016.

This scenario is repeated every day after dark.

We need your help to put a stop to this.

Sudbury Town Residents Association have installed 4 led security sensor lights at the top of Rugby Avenue. This has worked wonders as the sensor lights have prevented people from loitering at this corner.

I suggest you install sensor lighting outside your premises. The forecourt in front of Paddy Power belongs to Paddy Power and hence due care is the responsibility of Paddy Power.

PLEASE HELP TO RAISE STANDARDS IN SADBURY.

Kind regards

Renu Kaul

Deputy Chair

Sadbury Town Residents' Association (STRA)
