Dear Mr Rasitharan,

Licensing Act 2003 – Premises Licence

RE: SUDBURY SUPERMARKET, 773 HARROW ROAD, WEMBLEY, MIDDLESEX, HA0 2LW

Following my email on 12th October 2016, you were requested to explain in writing why the above premise was open until 1:15hrs on Saturday 8th October 2016.

You were reminded that the Council required a written explanation from you during our telephone conversation on 19th October 2016, which was followed by an email. However, it would appear that you have ignored our request.

Furthermore, you have failed to submit a new plan as part of your previous variation application by the deadline of 14th October 2016.

Please take note that on 20th October 2016, we have advised your agent 'Arka Licensing' that the variation application was deemed defective as you failed to provide an up to date plan of the premises. To date, we have not received a new variation application to vary the plan.

As you have failed to conform with the above matters after numerous requests and reminders, the Council have reservations concerning the overall management of the premises, which leads us to conclude that you were in breach of your permitted opening hours on 8th October 2016.

If you failed to submit a variation application by **Wednesday 16th November 2016**, we will have no option but to review your premise licence.

Please do not hesitate to contact me should you require clarification / information.

Yours faithfully,

Esther Chan
Licensing Inspector
