

I have attached a copy of an SIA publication outlining to buyers of security (DS) how they benefit from using an ACS company. Can I please add this email and the attachment to the hearing pack  
Thanks  
Nicola

Hi Nicola

The clients operating various premises in the Pop-in Building in Wembley are looking to replace all their existing SIA providers with a higher profile business.

The Company will be represented at Fridays meeting. They are in the process of applying for their SIA membership as a company.

They have provided some details to me. Should you require further information please send me a list and I will pass back to Personahr to bring to the meeting for Friday at 1pm at the client premises.

Kind regards
