On the 21/05/2017 police were called to Greene's Bar Neasden to a large disturbance and one male unconscious and another male with a facial wound, on police arrival they found a male with head injuries and unresponsive, male was treated by ambulance crew and taken to St Marys Hospital, it later transpired that he had serious head trauma, collapsed lung and several broken ribs.

A fight started in the pub after the barmaid asked a group of six Eastern Europeans to drink up and stop playing pool they became aggressive and threw something at her which hit her in the face, one of the males then threatened her with a pool cue and a pint glass, other people became involved and tried to help the barmaid who by this time was trying to get the males out of the door, one of the group grabbed the barmaid around the throat and it was at this point other patrons picked up pool cues and started to fight the group of six males, fighting continued and another male had a glass thrown at him causing a deep cut to his face the fight continued outside where one of the group who was helping the barmaid got locked outside the pub and was punched and kicked to the floor, the group can be seen on the pub's CCTV footage kicking and punching the male in the head as he lay unconscious on the floor.

The pub was recently the subject of a licensing review after serious disorder and numerous breaches to its licence conditions, and opening way beyond its licensable hours, police on that occasion asked for the licence to be revoked however the committee decided to suspend the licence for three months, this incident has happened during the 21 appeal process allowed by the legislation.

Police would ask that several interim steps be put in place to reduce any further risk of serious Violence until a full review hearing can take place, namely 1. An ID scanner shall be utilised at the premises to check all customers who wish to gain entry to the premises. The customer will provide appropriate proof of identification. The information collected shall include photo ID, the person's name, and date of birth shall be added to the database. Any person refusing to allow their data to be added to the database shall be refused entry.

This will assist police with any enquires if an incident occurs, and help deter and person from causing trouble.

2. A door supervisors shall be employed from one hour before closing time on Friday, Saturday and Sunday until the pub closes and all patrons are off the premises

. This will assist bar staff in closing the bar where patrons are refusing to leave.

This is deemed an appropriate and proportionate measure in view of the above evidence and to reduce any further threat to the public's safety and the prevention of crime and disorder licensing objectives.

Notes for guidance

1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

- conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
 - conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.
- Serious disorder is not defined in legislation, and so bears its ordinary English meaning.

2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder, or both.

*Insert rank of officer giving the certificate, which must be superintendent or above.

**I am giving this certificate because I am of the opinion that other procedures under the
Licensing Act are inappropriate in this case because:**

(Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned)

**I am giving this certificate because I am of the opinion that other procedures under the Licensing
Act 2003 are inappropriate in this case because:**

The premises has a long track record of both crime and disorder. Most recently it was the subject of a review where Brent Police Licensing team provided evidence of Crime and Disorder at the venue, numerous breaches to it licence were found, and the pub opening past its licensable hours, opening until the early hours of the morning, this was the second review of the premises licence in as many years.

It is not felt suitable for a standard review as there has been a serious incident of violence where two males have received serious injuries, and bar staff have also been assaulted. As a result of this incident police feel that interim steps are needed to reduce the risk of further serious violence

This is deemed an appropriate and proportionate measure in view of the evidence and to reduce any further threat to the public safety and the prevention of crime and disorder licensing objectives.

Decision of the Alcohol and Entertainment Licensing Sub-Committee (C) following a hearing on 04 May 2017 at Brent Civic Centre, Engineers Way, Wembley HA9 0FJ

NOTICE OF DECISION

PREMISES

Greene's Bar
362-362
Neasden Lane North
NW10 0BT

1. Members of the Sub-Committee

Councillors Long (Chair), Harrison, McLeish

2. The Application

The application is for a Police Review of the premises.

3. Representation

The Police were represented by PC Sullivan. The licence holder Mr Sheahan was present and represented by Mr Sutherland. Ms Sharon Mullarkey was also present.

4. The Hearing

PC Sullivan explained that in July 2015 a review of the premise was undertaken. The concern at that point was that the premises were opening outside their operating hours. As a result of that review, Mr Sheahan was removed as the DPS.

It was submitted that, since then, the Police have seen a reoccurrence of the same problems i.e. failure to adhere to the licensing hours.

On the 8 August 2015, which was less than a month after the first review, the Noise Team visited the premises at 23:19 and observed a two piece band playing which was clearly audible from the street. Mr Sheahan indicated that that there was security present, however on inspection it transpired that security present were not SIA registered.

The following week on 15 August at 23:05 music was emanating from within the premises again. PC Sullivan explained that the licence only provides for sale of alcohol, not regulated entertainment.

Furthermore, the police stated that on the 28 and 29 October the premise was open long passed the 23:30 closing hours. It is notable that a TEN had been applied for in relation to these dates and was refused. However it is clear that the premises still held the event. The police submitted that this showed a total disregard for the Licencing procedures and adherence to the terms of their licence.

On the 05 December 2016 an allegation was made to the police that a female patron had her handbag stolen. CCTV footage for the evening showed that the premises was open at 01:00, again a clear breach of the licence.

On the 07 November 2016 the police held a meeting with Mr Sheahan who indicated that he was aware of the breaches and that he would address these. He was informed that the Police would be issuing an action plan, which was done the next day. The Action plan made very clear the operating hours of the venue.

In and around December 2016, the police viewed Council operated CCTV covering the premises. On the 16 December the premises was open past 23:30. Again a TEN had been applied for that evening and refused. Again on the 17 December the premises were open until the very early hours of the morning. A serious assault took place during this evening.

On the 03 December the premises was open until 06:00 and Mr Sheahan was present throughout this. On New Years' Day 2017 the premises was still open at around 02:00. Police suspect that patrons were being let into the premises via the back door.

Just after a month after the Review was submitted, on the 17 March, the premises was open past 23:30. Mr Sheahan attended and appeared very intoxicated. Police viewed the CCTV footage of that evening, in which patrons are seen leaving in the early hours. Several fights broke out, including an injury to a young girl.

Police investigations have discovered that in December 2016 the premises were promoting, via Facebook, a free-bar during a Christmas party which was open to the public. This again demonstrated an irresponsible approach and is another breach of the licence.

The sub-committee viewed the CCTV footage for the 17 March 2017.

The Police submitted that, even with the threat of a review pending, Mr Sheahan showed a complete disregard of his licence conditions.

Under questioning the Police were asked to clarify the nature of the police objection for the TEN for 28/29 October. It was accepted by PC Sullivan that St Patrick's Day was a busy day for the premises.

PC Sullivan clarified that there were no real problems from the premises prior to 23:00. He further stated however that he did not have confidence in the current door supervisors.

Before presenting the case for the licence holder, Mr Sutherland asked members of the sub-committee to read a letter from a medical expert regarding Mr Sheahan's health. It was explained that part of the case of the Licence Holder today was for Mr Sheahan not to be involved in the running of the premises and that he would be returning to Ireland.

The sub-committee agreed to read the letter and a copy was taken.

Mr Sutherland noted that there are a number of issues that have been raised by the police however in moving forward what the licence holder was proposing that Mr Sheahan play no part in the running of the premises. Mr Sutherland explained that it was proposed the licence be transferred into Ms Malarky's name and that she would become the licence holder and DPS.

It was submitted that, generally speaking, the premises operated lawfully up until 23:00 – but it is after this hour that problems exist. Mr Sheahan accepted on a number of occasions that the premises had operated outside the licensable hours. My submission is that, Mr Sheahan will return to Ireland, but should he interfere with the running of the premises, Ms Malarky can satisfy you that she won't allow it.

In relation to the 17 March 2017, the latest allegation, it was not accepted by Mr Sheahan that he was operating outside the permitted hours.

Re the 17 February incident, Mr Sheahan had dealt with the patron and had now banned him.

Finally, with regard to the 28 and 29 of October events it was submitted that the TEN objections by the Police were wrong in law. The Act allows a number of "events" as long as they take place within the 168 hour period. As such, there should have never been any objection by the police.

The voluntary action plan was put into place. Training is taking place. The door supervisors are SIA registered. Incident books and refusal books are maintained.

As can be seen from the letters of support Greene's can be seen as a community hub. Many of the writers live locally. The local residents are saying here that this public house does not cause a problem.

Ms Mullarkey then gave evidence. She stated that she lives in Willesden and has done so all her life. She explained that she intended to be present more often to run the premises properly, not just be a member of staff.

She acknowledged that Mr Sheahan demonstrated a lot of influence over the public house and if he did interfere she would withdraw from the premises. Ms Mullarkey stated that she could take on the premises within 4 weeks. Mr Sheahan gave evidence to the sub-committee and explained that he intended to go back to Ireland and deal with some personal issues.

Under questioning Ms Mullarkey confirmed that she was DPS for Sals Bar. She also confirmed that she had struggled spending time at Sals bar because of her pregnancy. Ms Mullarkey accepted that she had never run a "difficult" bar.

It was clarified that she had held a personal licence for 9 years and hadn't had any formal training for 9 years. Ms Mullarkey could not name any of the four licensing objectives.

Mr Sheahan confirmed that he currently lives above Greenes. He could not answer where he would live on his return to England. Mr Sheahan accepted that he had operated outside of the permitted hours.

Mr Sheahan explained that he was aware that the TEN for the 28/29 October had been refused. He explained that it was a local group who had booked the public house and that he hoped to have "stayed under the radar".

In summing up the Police noted that this was the second Review within 2 years. The licensee had clearly no regard for the licence conditions or the decisions of the sub-committee.

Mr Sutherland submitted that it was accepted by Mr Sheahan that breaches had taken place. However, the sub-committee were asked to look at the way forward. This premises is an asset to the local community. The Action Plan has been complied with to

a large extent. The committee can be satisfied that with Ms Mullarky as the licensee of these premises she will promote the licensing objectives.

5. Determination of the Application

The sub-committee determined the application in accordance the provisions of the Licensing Act 2003. Further the sub-committee considered the matter with a view to promoting the licensing objectives, namely:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm.

In making its decision the sub-committee also had regard to the Guidance issued under Section 182 of the Licensing Act 2003 and Brent's licensing policy. In addition, the sub-committee took account of its obligations under section 17 of the Crime and Disorder Act 1998.

The sub-committee were mindful of the need to reach a decision that was necessary, proportionate, and justified on the evidence before them.

6. Decision

The sub-committee have listened carefully to the submissions made by all parties. We have also listened to the evidence of Ms Mullarky and read all the letters of support from the local residents

This premises has an extremely poor history. This is the second time that it has been reviewed in 2 years.

The clear evidence before the sub-committee shows persistent and flagrant breaches of the licence conditions. These are accepted by Mr Sheahan.

Furthermore, there are a number of occasions where Mr Sheahan has applied for late TENs, which have been refused, and yet he has gone on to hold the event. This shows a total disregard for this sub-committee's decisions.

It has been suggested by Mr Sutherland that the police objection to at least one of those TENs was unlawful. The sub-committee make no determination on this issue but regard it as totally irrelevant to the determination of the application before it today. The TEN in

question was refused with Mr Sheahan stating to us today that he was aware of that refusal. Regardless he operated outside his permitted hours.

Mr Sheahan has indicated that he intends to return to Ireland and play no further part in the running of this premises. It is suggested that Ms Mullarkey take over as Licence Holder and DPS. The sub-committee do have grave concerns as to whether Mr Sheahan will remove himself from involvement in this premises.

The sub-committee do not consider the imposition of further conditions, removal of the current DPS or exclusion of licensable activities will assist in promoting the licensing objectives.

However, whilst the history of poor management is serious we do not consider a complete revocation to be a proportionate response to this application.

The sub-committee has decided to suspend the licence for a period of 3 months.

This, we hope, will give sufficient time for the transfer application to be made and for Mr Sheahan to remove himself from the premises. We hope that this premises will not come before the sub-committee again.

7. Right of Appeal

The parties have a right of appeal to Brent Magistrates' court against this decision

If you wish to appeal you must notify Brent Magistrates' Court within a period of **21 days** starting with the day on which the Council notified you of this decision.

The venue is a pub called GREENES. Viw 3, xxxxxxxx, and Viw 4, xxxxxxxx, work at the venue as barmaids and were working at the venue.

Viw 1, John WALSH, and Viw 2, John Corcoran are regular drinkers in the pub.

xxxxxxx started her shift at about 1800 hours and there was a group of 6 Eastern European males sitting on the pub's benches drinking their own alcohol. She told them they couldn't do that and they said they would come in and order. The group did go inside and started drinking rounds of Fosters lager. They bought several rounds throughout the evening and occasionally tried to pay with bank cards that were rejected. They annoyed a group of Irish Travellers that were paying pool and xxxxxxxx calmed everyone down. At 2230 hours xxxxxxxx called last orders and the group ordered another 6 Fosters. She then told them it was their last game of pool and they would have to drink up. One of the group, sus 1, demanded another drink and jostled xxxxxxxx with a pool cue. She told him No and took the cue from him. As she left the room he threw the contents of his beer at her and threw the cue chalk at her. xxxxxxxx called out "Call the police" and sus 1 punched her in the stomach. The rest of the group started moving sus 1 out of the pub but he grabbed xxxxxxxx neck and necklace and strangling her. She couldn't breathe. Somebody pulled him away. He still had a pint glass in his had which she told him to leave. Xxxxx xxxxxxxx and xxx xxxxxxxx picked up pool cues. They are joined by xxxx xxxxxxxx and the three

Sus 1 throws the pint glass back into the pub and it appears to hit xxxx xxxxxx in the face causing cuts. xxxxxxxx and the other people in the pub managed to close the door with the suspects outside. She did not realise that xxxx xxxxxx has been shut outside with the group. Xxxx xxxxx has fallen onto his back and the group have been throwing stuff at the door. One of the males then kicks xxxx in the body. The rest of the group then begin taking it in turns to kick xxxx in the head and body. He is kicked about 15-20 times in total, most in the head. The group then make off along Neasden Lane North and are seen on Brent Council CCTV to enter Braemar Avenue. Viw 6 then finds xxxx on the floor and begins banging on the pub door and the door was opened a while later. Xxxxx had head and eye injuries and was not very responsive. xxxxxxxx called 999 and police and ambulance arrived.

*****OIC UPDATE*****

I have attended St Mary's hospital and met with Mr xxxxx. Mr xxxxxx is currently in a lot of discomfort having suffered broken and cracked ribs, a perforated lung which was still being drained and trauma to his head. He is badly cut and bruised and his right eye is swollen shut. Mr xxxx was waiting to see another specialist who was going to advise if he needed to have reconstructive surgery.

Mr xxxxx was not in a position to provide a statement but his initial account is that he was aware of 5 or 6 Eastern European

23/05/2017 08:21

PC 238058 966JC J ROBB

males being in the bar who began antagonizing a group of travellers who were trying to play pool. Mr xxxxxxx states that the travellers gave up trying to play pool and sat in the same part of the bar as him. Later in the evening, he became aware of the Eastern European males harassing the bar maid and he has attempted to do the chivalrous thing before being set upon by the group. Mr xxxxxxx is unable to give a description of the males at this time. Mr xxxxxxx has stated that he will provide a statement upon his release from hospital.

I have also spoken with Ms xxxxxxx who has been badly shaken by what has happened to her. She has added that she has suffered bruising and is sore as a result of what has happened to her. I have asked her to take photographs of her injuries which we can exhibit in the future and explained that we would offer her the opportunity to provide a victim personal statement.

I have also attempted to call Mr xxxxxxx who was also injured but I have not been able to reach him on both of his mobile phones.
