Circumstances

An urgent assistance call was circulated on the 'CW' radio link detailing an incident at the venue. Subsequently multiple CW units have responded.

The call originated from VIW/1 whom stated shots had been fired in the club and his cousin (VIW/2) was inside injured.

Upon arrival CW units assisted TROJAN units in clearing out the venue and preventing any further disorder.

TROJAN units confirmed a firearm had not been discharged and conducted an extensive search of the venue.

TROJAN units stated they believe a gun was not present and this incident originated from a public order situation

Whilst present outside the venue officers were approached by VIW/1 and VIW/2.

VIW/2 stated that whilst he was present inside the venue a fight broke out which prompted the patrons to swiftly vacate the premises. During the commotion VIW/2 states his chain and two pendants were snatched from his neck. Subsequently VIW/2 has turned around to investigate. It was at this point VIW/2 was struck on the forehead with what he believes to be a glass bottle. The strike has caused minor cuts to VIW/2's forehead. VIW/2 stated he did not see his attacker thus a description has not been provided. VIW/2 declined LAS and stated he would make his own way to hospital thus not providing a statement.

VIW/2 was heavily intoxicated

VIW/2 stated he is leaving the country tomorrow.

A separate report will need to be created for the GBH as it can not be confirmed at present from the dets that the suspect was the same for both incidents.

****CID REVIEW****

Only an e-mail address left for the victim who has apparently left the country. It is not clear how long for however the dets would suggest indefinitely. The chains have been yanked from the victim during a large disorder at the venue. There is little to no chance of identifying the suspects taking the chain. The victim did not see the suspects. He has not provided a statement and his current whereabouts are unknown. I have e-mailed the victim on the e-mail address given asking him whether he is returning to the UK and whether he would wish to pursue a criminal allegation.

This report complete at this time. This may be reviewed if further information comes to light.
