Summary

The Committee will be joined by the Executive Director for Policy at London First to hear about and discuss the key issues, opportunities and concerns of the Business Community, in light of the recent general election and wider economic climate.

Recommendations

- 1. The Committee are asked to identify any areas of particular interest or concern in relation to business growth for officers to incorporate into the Committee Forward Plan and return to it at a future date.**

1. WHY THIS REPORT IS NEEDED

- 1.1 This discussion will allow the committee to hear directly from business representatives about those areas of greatest interest or concern in relation to business growth. These issues will then be incorporated in to the West London Growth Programme so that it remains grounded in what matters most to the West London economy.
