Dear Sir/Madam

Re: Application for New Premise Licence - Food 4 You - 280 Kingsbury Road

I refer to the above application and wish to object. The above shop is a food store specialising in Eastern European produce, there is a table and chairs outside the shop where people sit and drink coffee and alcohol. There are no toilet facilities on the premises so the people use the alleyway beside the shop as a toilet, it is disgusting, they even, on occasions bring their own toilet paper. It is a health risk, I use this alleyway daily as this is where my car is parked.

There is a large green box outside of our door - one of Utility Company ones - this is where the empty cans are disposed of, of in the old mans garden next door, they just throw them over the fence, or in the above stated alleyway.

I also do not see the need to have a licence to sell alcohol from 08.00 in the morning. I feel that if they are allowed a licence, it will be people sitting outside the shop all day drinking. I feel it will lead to groups hanging around outside the shop, and I am sure that some people, especially the elderly would find this intimidating.

In the past I have had to contact the council about the delivery men to the shop blocking our drive whilst making deliveries, in fact one of them threatened my partner, who had to phone the police. The council are now looking in to placing double yellow lines in this area, so the delivery will also be a problem.

There are two shops in the parade that already sell alcohol, and several supermarkets nearby, this should surely be enough outlets selling alcohol in the area without adding to the number.

Yours sincerely
