Licensing Representation to a New Premises Licence Application for Food 4 You, 280 Kingsbury Road, London, NW9 0BY

I certify that I have considered the application shown above and I wish to make a representation that the likely effect of the grant of the application is detrimental to the Licensing Objectives.

Officer: Susana Figueiredo – Licensing Inspector

An officer of the Licensing Authority, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a new premises licence under section 17 of the Act.

The Licensing Authority propose that the following applies;

Conditions to be added to the Premises Licence

- CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and licensing Officers if requested.
- A CCTV camera shall be installed to cover the entrance of the premises
- The premises shall adopt a 'Challenge 25' at all times
- A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.
- Any staff directly involved in selling alcohol for retail to consumers and staff who provide training including managers shall undergo regular training of the Licensing Act 2003 legislation (at least every 12 months). The training shall be documented and signed off by the DPS and the member

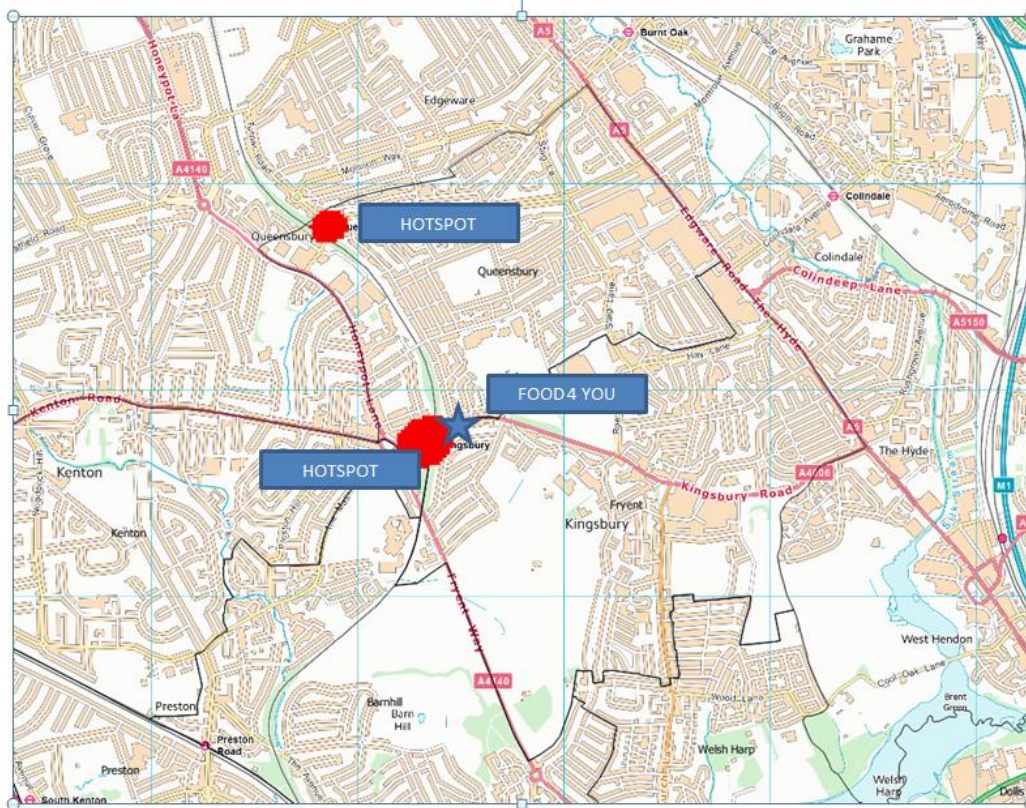

of staff receiving the training. This training log shall be kept on the premises and made available for inspection by police and relevant authorities upon request.

- No high strength beers, lagers, and ciders above 6.0% ABV shall be stocked.
- An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:
 - (a) all crimes reported to the venue
 - (b) all ejections of patrons
 - (c) any complaints received
 - (d) any incidents of disorder
 - (e) any faults in the CCTV system
 - (f) any refusal of the sale of alcohol
 - (g) any visit by a relevant authority or emergency service.

Exposure of Alcohol outside of Licensable Hours

I have further information from Brent Council's Anti Social Behaviour analyst who has concluded there are a range of ASB issues including street drinking in surrounding areas which may have a further negative impact on the area in question. My concerns surround the premises opening time of 6am and the gap between which the supply of alcohol commences at 8am and how the alcohol will be contained. The Licensing Act 2003 already requires that alcohol not be displayed when there is no authorisation to do so but have not been given any information by the premises in the application as to how this will be met.

FOOD 4 YOU 280 Kingsbury Road, NW9 0JB

I therefore propose the following condition in order to reinforce the need for alcohol to be covered up outside of licensed hours, namely 6am-8am;

- Outside of the hours authorised for the sale of alcohol, all alcohol within the trading area is to be secured behind locked grills, locked screens or locked cabinet doors so as to prevent access to the alcohol by customers or staff.

In order for the Licensing Authority to withdraw this representation, it will be necessary for you to confirm you agree to the above conditions being added.

Yours faithfully,

Susana Figueiredo
