To whom it may concern

I am writing on behalf of

[REDACTED] I recently saw a green poster attached to a lamp post for premises licence review.

As I reside near the premises I believe there is alot of noise until quite late especially on the weekends. There are alot people who gather around the back in the designated smoking area where the noise comes from. It can also get loud when fights break out. It gets very disturbing as I have a young family. I urge you to reduce their opening hours.
