Details of Investigation

PC 225173 612QK AR WOOD

PRIMARY INVESTIGATION DETAILS : 1 Immediate action

1) CAD 8489 29/04/2017. Officers attending, PC 612QK WOOD, PC 883QK SANSOM.

2) Officers were called to the venue which is just outside the front of SAL'S bar in NEASDEN shopping centre. He stated that he had been assaulted and information was received that the suspect was in a club nearby. On Police arrival, VIW1, NAME REDACTED was standing outside SAL'S bar. He had blood around his mouth and nose. He stated that he had been walking on his own past the pub, towards the NEASDEN underpass. As he walked past the pub, SUS1 came out of the doorway and approached him. Nothing specific was said. NAME REDACTED was adamant that he said and did nothing to provoke SUS1. Without warning, SUS1 has allegedly punched him several times in the face and mouth, causing cuts to both of his lips, and a blooded nose. SUS1 has then gone inside SAL'S bar. Officers went into the pub, and were told that SUS1 had run out of the back door which was found open. The pub including the toilets was searched to no avail. Whilst officers were speaking to NAME REDACTED, another male came out of the pub and said that he has seen SUS1 run off. He also said that he saw the assault and said that it was completely unprovoked. He refused his details and walked off. A male was stopped as a possible suspect at the junction of TANFIELD AVENUE. It was confirmed that the incident had been captured on CCTV. The operator viewed the footage and also saw the detained male and confirmed that it was not the same male.
A member of staff told officers that the suspect had returned into the pub from the back door and was

in the toilet. The pub was searched again but it was no trace. An area search of the surrounding streets was conducted. No trace.

Throughout the time Police were in attendance, NAME REDACTED seemed very anti Police. He was insisting that we moved him away from the area as he didn't want his family or friends to find out what had happened.

The LAS were called as well as QK MEDIC. Due to his insistence that he left the area, NAME REDACTED was taken to his H/A to wait for the LAS. QK MEDIC was informed.

3) See above. LAS was declined at first when he called. He changed his mind and the LAS were requested. See above.

PRIMARY INVESTIGATION DETAILS : 2 Scene

1) the incident has happened in the street outside SAL'S BAR. NAME REDACTED has not been inside the pub. It is not believed that they know each other.

6) There are no photo's of the injuries as no camera was available. NAME REDACTED injuries should be captured on BWV.

PRIMARY INVESTIGATION DETAILS : 3 Forensics

PRIMARY INVESTIGATION DETAILS : 4 Victims/Witnesses

1) There are no known witnesses to this incident other than the male who stopped and spoke to officers, but would not give his details.

PRIMARY INVESTIGATION DETAILS : 5 Suspects

4) SUS1 had left the scene prior to Police arrival. No suspect has been identified.

PRIMARY INVESTIGATION DETAILS : 6 Other evidence

1) There is CCTV coverage which shows the assault from a long distance. This has been viewed by the CCTV operator.

Although it shows the version of events, it is too far away to identify any suspect.

There is one CCTV camera, which is fixed and pointing towards the door. I believe the incident was too far in front of the venue for it to have captured the incident. Enquiries were made with staff. **the CCTV system was locked in an office which she didn't have access to.**

The manager is called NAME REDACTED, and can be contacted on TELEPHONE NUMBER REDACTED. Should be in tomorrow.

3) NAME REDACTED stated that he would recognise SUS1 again and is willing to take part in a WADS viewing.

5) PS 83QK O'CONNOR. informed.

Apparent unprovoked attack on the victim. There are no forensic opportunities and no witnesses have provided details. There is CCTV at the venue however too far away for identification purposes. There is one other camera apparent and this needs checking to see whether covered the incident.
