**Subject:** Dui Bazzar Ltd Premises License

Dear Sir/Madam,

Re: Dui Bazzar Ltd application for a Premises License

I would respectfully object to granting this license based on the following reasons:

Even with a 6 month protection order being put in place from April onwards, we are still experiencing what we have in the past, such as problems with street drinkers with regards to being a public nuisance, crimes taking place as well as a fear of public safety. There had also been a CCTV car situated at the end of Braemar Avenue which after a few weeks did little or nothing to warn off street drinkers or keep rubbish on our road or at One Tree Hill Park to a minimum.

I feel that there will also be greater competition with the existing off-licence in price of alcohol, as it will be even cheaper which will increase in consumption of alcohol and increase in existing problems.

Also, I have been leading a free walking and running group since mid May advertised through Brent's whats on section - <https://www.brent.gov.uk/events-and-whats-on-calendar/events/run-with-andy-one-tree-hill/> as well as - <https://ourparks.org.uk/borough/one-tree-hill-recreation-ground> and had noticed attendances have been down, due to feedback from a few people who have come running with me, had noticed street drinkers at One Tree Hill Park sleeping, urinating on the side fences and hanging around in groups like it is `drinkers hangout` I also cannot understand why there are blue bags placed in between fences to accommodate and encourage drinkers to put their rubbish in. Also, children on our road have felt threatened to go and play on our park side entrance (Braemar Avenue) due to drinkers hanging around in big groups.

I have attached a screenshot as I have been calling 101 as well as tweeting met police regarding issues mentioned previously for people still drinking on our road even with a protection order in place as well as a photo of a person urinating which is unfortunately a common scene at our local park.

We have already had enough issues happening and constantly occurring on our street for quite some time now, with seemingly little or not much being done about it. If a premises license is granted for Dui Bazzar Ltd, I feel as I am sure other residents would feel that our problems will double, not only for our road, but especially One Tree Hill, as it will turn into a `drinkers paradise`.

A few months back, on April Easter bank holiday weekend there had been a major incident where someone had gotten stabbed in the face with an alcohol bottle in which our road ended up being closed off, and i could not enter our own road with my parents in the car. My parents are in there 70's, and my Father in particular is disabled and has had Parkinson's disease for over 20 years, was in the car at the time. Luckily for us, my Brother's place is not too far way from our home, as he was at his home at the time, and we went there until a neighbour had called me and told me that our road was now clear to drive in and we could enter our house. We do not want to see a death on our road or any other severe incidents happening in our area being linked to alcoholism, disorder and crime due to potentially cheaper alcohol being promoted or sold at a nearby shop as competition would be increased.

Please kindly take a note of my comments.

Yours faithfully,
