Subject: Objecting to the granting of licence (10573334)

I wish to remain anonymous in registering my application so please do not disclose my personal details to applicant or any third parties in fear of reprisals.

I wish to register my objection in granting of premises licence to sell liquor to Diu Bazzar (10573334), 226 Ealing Road, HA0 4QL for the reasons mentioned below:

We currently have PSPO in place due to unsociable, criminal and violent behaviour by street drinkers who purchase the alcohol from nearby shops who urinate and expose themselves on the street.

The behaviour of these street drinkers are frightening and our children are afraid to go out on their own due to absurd and disorderly behaviour of gangs of street drinkers.

They often urinate openly on the street after drinking exposing themselves with their personal parts being openly visible.

They litter the street with empty cans of beer and broken glass bottles which are dangerous to walk on and often our car gets punctured due to broken beer bottles on the road.

There has been increase in street fighting among the street drinkers where recently our street was sealed off for several hours as it became a police crime scene and we were not allowed to in our own house due to serious and violent injuries.

By granting this licence, there will be greater competition with the existing off-licence in price of alcohol and it will be even cheaper which will increase in consumption of alcohol and increase in existing problems.

Again I must stress that I wish to remain anonymous and do not wish to disclose my personal details to the applicant or any third party due to reprisals.

Thank you
