Dear Sir / Madam,

Subject: Retail license for Alcohol for Business name:

Diu Bazzar limited (10573334)  
226 Ealing Road Wembley Ha0 4qj

I wish to report my objection for the above mentioned business to issue alcohol licence on the following 3 grounds

- Crime and disorder: I am feared that asked license will increase rate for the crime and disorder. We are witness of several incidence in the past and still facing them. Our street and neighbourhood is affected heavily due to alcohol.
- Public nuisance: I am afraid that this will cause high amount of public nuisance and my family and kids will not be safe. I am been victim of the it in the past and fears that the same can happens again
- Urination and Street Drinking: This is a worst of all. I made an application to remove tree to stop urination which is a sad to go against the environment. I love tree but drunk people on street choose tree outside my house for urination and have to get rid of the tree in order to stop them doing so.

Please consider my above objection and do not issue any more alcohol permit near our street. Let me know if I need to reach any other higher authorities to stop this doing so.

Feel free to call me on [REDACTED] or reach me on my personal email address for any query.

Kind Regards,

[REDACTED]
