“INFT SAYS THAT SHE HAS BEEN ASSAULTED” there are then numerous entries that state that the informant was shouting and swearing at the operator and that the operator had to clear the line due to her behaviour.

Informant was found outside venue shouting and very worked up, she wasn't making any sense but told us some males had got into a silver van and had driven off, an area search was completed but the van could not be located.

She stated she pick up a mango from outside the shop on the stall and someone said “put the fucking mango down you fucking teeth” and that she was a crack addict. She has then said she said she wasn't stealing it and the male has apparently picked up a sugar cane and threatened her with it. They have then got in a van and driven off. When asked any further details she has become angry with officers and said she doesn't want to talk anymore and got out the car and walked off and doesn't want to talk and do anything regard this anymore.

Speaking with the shop owner he stated that he saw a male and female outside the shop but didn't see anything else. There is no cctv covering the sho
