## BRENT SAFEGUARDING ADULTS BOARD STRATEGIC PLAN 1 APRIL 2017- 30 SEPTEMBER 2019

Brent Safeguarding Adults Board promotes inter-agency co-operation at all levels of safeguarding adults work. In order to protect adults from abuse and harm, it is essential that all partners and stakeholders work closely together to develop policies and procedures that result in timely, robust and personalised inter-agency responses. The Brent Safeguarding Adults Board oversees this partnership approach by working strategically to consider, direct, assure quality and monitor actions and initiatives that enhance and improve practice across all partner agencies.

The purpose of this strategic plan is to illustrate the vision that has been agreed and to demonstrate how all relevant stakeholders will participate in achieving the goals required to make the vision a reality. The strategic plan will assist Brent Safeguarding Adults Board to support, monitor and review what partner agencies do individually and collectively to fulfil their safeguarding duties.

To deliver this vision, the BSAB facilitated an Board Awayday in January 2017, with representation from across the partnership, including the Local Authority, NHS Trusts, CCG, Metropolitan Police, Probation Service, London Fire Brigade, independent providers, service user groups, home care and residential care providers. The purpose of the event was for the BSAB to hear first-hand, the lived experience of safeguarding in Brent and to consult on the BSAB priorities for 2017/18. Feedback from this event has therefore informed the following priorities.

The strategic plan will focus on:-

1. Increasing awareness and understanding of safeguarding adults within the Brent Safeguarding Adults Board workforce and wider community

- 2. Continuing to work together to understand and meet the challenges of the Mental Capacity Act 2005 & Deprivation of Liberty Safeguards (DoLS)
- 3. Service User Voice To ensure the work of the SAB is influenced by service users and their representatives
- 4. Making Safeguarding Personal Continue to work to progress the 'Making Safeguarding Personal' agenda
- 5. To use Training & Workforce Development to support the delivery of BSAB priorities
- 6. To increase the voice of service users, carers and their representatives in the work of the BSAB

The Work of the Board will continue to be underpinned by the following principles:-

- Responsibility and accountability, where the outcome is a multi-agency approach for people who need safeguarding support;
- Prevention and early intervention, where the outcome is a pro-active approach that reduces risks and promotes safe services whilst ensuring independence, control and choice;
- Access and involvement, where the outcome is that everyone is aware of what to do if they suspect or experience abuse, and where practice and the commissioning of services are informed by feedback and satisfaction levels of those who have experience of the safeguarding process;
- Responding to abuse and neglect, with the outcome that people in need of safeguarding support feel safer and further harm is prevented;
- Training and professional development, with the outcome that all staff are aware of policies and procedures, and their practice safeguards adults and promotes understanding of harm.

				2017-19						
Priority 1	-	Objective - Raise awareness & understanding of safeguarding adults within the Brent Safeguarding Adults Board (BSAB) workforce and wider community								
Outcome		Action	Lead	Target date	Resource (£)	Progress	RAG			
1.1 There is a magency approa raising awaren understanding Safeguarding w the BSAB worl and wider con	ach to ness & g of within kforce	Systems and resources have been developed that raise public awareness and understanding of safeguarding adults work, with people using services and their carers an integral part of the design	CEA Subgroup	On-going	TBC					
		Partner agencies provide assurance that safeguarding training is provided so that staff and volunteers are aware of the needs of adults who might be at risk of abuse and harm, have the appropriate knowledge and competencies, and ensure they receive effective support [PVI Safeguarding training & ASC L&D programme] Other multi-agency training available to be listed	SAB/Learning & Dev Subgroup	On-going						
		Launch BSAB Safeguarding Adults Training Toolkit across BSAB	Learning & Development	May 2017	ТВС
