Dear Sadiq

**BOROUGH OF CULTURE 2020**

It gives me great pleasure to submit Brent's bid to be London's Borough of Culture in 2020.

As I hope you'll see, it is very much a product of our collective imagination and is without doubt testament to an enviable global spirit. It sets out an ambitious but achievable plan for 2020 to be both a year of world class celebration and, via a brand new Cultural Trust, the beginning of our future heritage.

As you'd expect, this is a bid to be proud of. Of particular note is how it clearly benefits from having tapped into the creative energy of young people from across the borough. What's more, in recognising the breadth and depth of their invaluable talents, strong and lasting youth representation is woven into the fabric of how we'll actually deliver on our promise.

I'm excited for you to find out what we have in store and am looking forward to hearing from you in the New Year.

Best wishes,

**Cllr Muhammed Butt**  
**Leader of Brent Council**
