Subject: Please do not issue alcohol selling licence to JALA Supermarket

Categories: Vanesha

Business address:
Jala Supermarket
95 Ealing Road

Dear Sir / Madam,

I am writing to you in regards of the applications for alcohol licence applied by above business. I live in [REDACTED] and near one tree hill park. This is to report that drinkers are using many public and safety issues in our area. I am requesting you not to issue the alcohol licence to the above mentioned business.

This is to inform you that our daily life is getting affected by people drinking by following ways

- They drink in the morning while we takes our children at school
- They urinate in front of the kids and family on the street and tree next to my house in open
- They fights and use abusing language as a drunk in front of my kids and family on many occasion
- We are spending too much of our quality time calling police and explaining who is fighting next to our house and who is drunk?
- They drink in a group and use very abusive language openly
- There are almost daily fights between drinkers and we have to witness on many occasions
- They breaks empty bottles, damages car and fences more often.
- They urinate openly and expose body parts in front of the kids and family, throw cans and spit in front of us openly

Regards,
[REDACTED]
