Officer: **Michelle Heath 928QK**  
Brent Borough Police Licensing Constable

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a new premises licence under section 17 of the act. The Police representations are primarily concerned with the prevention of crime and disorder.

#### **Closed Circuit Television (CCTV)**

Good quality CCTV is essential as a deterrent for the prevention of crime and the detection of offenders. It allows for both covert and overt monitoring of the premises. All cameras and recording equipment will be installed and maintained in accordance with Home Office Guidance and the manufacturers instructions and will be fully operational when the premises are open to the public.

***Police require the following points should be added as conditions on the premises licence as below.***

1. CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council upon request.
2. A CCTV camera shall be installed to cover the entrance to the premises.
3. A clear and unobstructed view into the premises shall be maintained at all times.
4. A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.
5. Notices asking customers to leave quietly shall be conspicuously displayed at all exits.
6. An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:
  - (a) all crimes reported to the venue
  - (b) all ejections of patrons
  - (c) any complaints received
  - (d) any incidents of disorder
  - (e) all seizures of drugs or offensive weapons
  - (f) any faults in the CCTV system or searching equipment or scanning equipment
