- 2.1 The terms of reference of the Welsh Harp Joint Consultative Committee include that it considers and co-ordinates all the interests of recreation, leisure, maintenance and nature conservation with the object of protecting the Welsh Harp Reservoir and surrounding open land as a unique environment for both recreation and wildlife conservation.

3. ALTERNATIVE OPTIONS CONSIDERED AND NOT RECOMMENDED

- 3.1 None

4. POST DECISION IMPLEMENTATION

- 4.1 The committee note the actions being implemented as set out under section one.

5. IMPLICATIONS OF DECISION

5.1 Corporate Priorities and Performance

- 5.1.1 The Councils Corporate Plan 2015 – 2020 identifies as one of its Corporate Priorities that Barnet's parks and open spaces will be amongst the best in London. The need to develop more innovative ways of maintaining its parks and green spaces, including through greater partnerships with community groups and focus on using parks to achieve wider public health priorities for the borough.

5.2 Resources (Finance & Value for Money, Procurement, Staffing, IT, Property, Sustainability)

- 5.2.1 Any costs incurred from the programmes and initiatives will be met within the existing Street Scene budget.

5.3 Social Value

- 5.3.1 The Public Services (Social Value) Act 2013 requires people who commission public services to think about how they can also secure wider social, economic and environmental benefits. Before commencing a procurement process, commissioners should think about whether the services they are going to buy, or the way they are going to buy them, could secure these benefits for their area or stakeholders.

5.4 Legal and Constitutional References

- 5.4.1 The Local Authority has a statutory duty under the Countryside and Rights of Way Act 2000 to safeguard, protect and enhance sites of special

scientific interest. The Local Authority has the power under Section 21 of the National Parks and Access to the Countryside Act 1949 to acquire, declare and manage nature reserves. However, English Nature must be consulted by the Authority in the use of the powers given by section 21. The 1949 Act states that a Local Nature Reserve (LNR) must be managed in such a way to ensure that use of the site does not result in any damage to its natural features.

5.4.2 The Terms of Reference of the Joint Committee, as set out in its Constitution, include :

“to consider and co-ordinate all the interests of recreation / leisure / maintenance / nature conservation and statutory requirements of the British Waterways Board and the Environment Agency at the Welsh Harp; with the object of protecting the Welsh Harp Reservoir and surrounding open land as a unique environment for both recreation and wildlife conservation”.

5.4.3 Barnet’s Constitution – Article 8 – Joint Arrangements- states at paragraph 8.01 that the Council may establish joint arrangements with one or more Local Authorities. Such arrangements may involve the appointment of a Joint Committee with these Local Authorities.

5.5 Risk Management

5.5.1 There are no risk management issues associated with this report.

5.6 Equalities and Diversity

5.6.1 Parks and Open Spaces benefit all sectors of the community by improving the local environment. Maintenance is carried out according to the management plan and takes into account requests from residents, users and Members. Improvements are made, wherever possible, to ensure equal access for all users.

The 2010 Equality Act outlines the provisions of the Public Sector Equalities Duty which requires Public Bodies **to have due regard** to the need to:

- eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Equality Act 2010
- advance equality of opportunity between people from different groups
- foster good relations between people from different groups

The broad purpose of this duty is to integrate considerations of equality into day business and keep them under review in decision making, the design of policies and the delivery of services

5.7 Consultation and Engagement

5.7.1 The Consultative Committee continues to meet on a quarterly basis, the committee comprises of the land owners, legislative bodies, and third
