Subject: Application for Premises Licence reference 11111

Dear All,

I got a call from the Area Manager of Shurgard, Mr Adam Merison, who informed me that Shurgard would not allow commercial activity on their premises, nor the storage of alcoholic spirits. He went on to say that if a customer was found to be breaching 2.8 & 2.9 of the company terms and conditions they would be served a notice to leave the unit within 15 days.

Kind Regards,

PC Gary Norton 965QK
