Prudential Indicators

(a) Capital Financing Requirement (CFR)

The Council's cumulative maximum external borrowing requirement for 2017/18 is shown in the table below:

Capital Financing Requirement	31/03/2018 Estimate £m	31/03/2018 Actual £m
General Fund	446	515
HRA	155	150
Total CFR	601	665

(b) Gross Debt and the Capital Financing Requirement:

In order to ensure that over the medium term debt will only be for a capital purpose, the Council should ensure that debt does not, except in the short term, exceed the total of capital financing requirement in the preceding year plus the estimates of any additional capital financing requirement for the current and next two financial years. This is a key indicator of prudence.

Debt	31/03/2018	31/03/2018
	Estimate	Actual
	£m	£m
Borrowing	411	432
PFI liabilities	29	29
Total Debt	440	461
Capital Financing Requirement	601	665
Borrowing in excess of CFR?	No	No

(c) Authorised Limit and Operational Boundary for External Debt

The Operational Boundary for External Debt is based on the Council's estimate of most likely, i.e. prudent, but not worst case scenario for external debt. It links directly to the Council's estimates of capital expenditure, the capital financing requirement and cash flow requirements and is a key management tool for in-year monitoring. Other long-term liabilities comprise finance lease, Private Finance Initiative and other liabilities that are not borrowing but form part of the Council's debt.

The Authorised Limit for External Debt is the affordable borrowing limit determined in compliance with the Local Government Act 2003. It is the maximum amount of debt that the Council can legally owe. The authorised limit provides headroom over and above the operational boundary for unusual cash movements.

The Director of Finance confirms that there were no breaches to the Authorised Limit and the Operational Boundary during 2017/18.

	Operational Boundary (Approved)	Authorised Limit (Approved)	Actual External Debt 31/03/2018
Borrowing			432
