Dear Sirs,

**Notice of a New Premises Licence at Lezziz Charcoal Grill, 13-15 Walm Lane, London, NW2 5SJ**

I am writing in response to the above notice to which I would like to object on the following grounds:

**Prevention of crime and disorder**

Serving alcohol until 2am every day and being open until 4am will increase the number of people in the area who are intoxicated late at night with the resulting risk of vandalism and public disorder.

**Prevention of public nuisance**

We already suffer from public nuisance from people leaving the pubs late at night at this end of Walm lane. This nuisance includes.

- Shouting and fighting
- Littering in the front gardens
- Urinating against walls.
- Noise from Scooters which congregate around pubs at closing time
- Noise from private mini cabs who park up with their engines running.

All of these activities occur on the pavement outside our homes many of which have bedrooms which face the street.

**Public Safety**

After closing time, the patrons congregate in groups further walm lane, outside residential properties, they become threatening when approached and asked to be quite and/or move on.

In summary we already suffer the above problems but this normally reduces by midnight. A premises which serves alcohol until 2am everyday will make these symptoms worse and place further strain on public services.

I hope you will take these views into account when considering the above application.
