Police representation to Premises Licence application for 'Shawarma Grill' 350-352 High Road, Wembley, HA9 6AZ.

I certify that I have considered the application shown above and **I wish to make representations** that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the reasons indicated below.

Officer: **Nicola McDonald**
Licensing Constable PC 157QK

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a premises licence under section 17 of the act.

The Police representations are concerned with Crime and disorder, public nuisance and public safety licensing objectives.

The applicant submitted a change of use planning approval letter from 2/1/2018. The Brent council approval letter alludes to conditions set out on Schedule B of that planning permission. **I request details of what those conditions are and how they will be implemented to uphold the licensing objectives.** There are residential premises above the venue that would be impacted by noise and smells from the rear external area.

The operating schedule submitted with the application is very sparse considering the application is for licensable activities from 1000hrs to 0300hrs daily, in addition this premises sits within the footprint of the national stadium and there is no mention of that.

The applicant has held the premises licence at the location for several years. I have visited the venue and discussed the application with Mr Kara and his wife. **It was agreed a more reasonable time for selling alcohol would be from 1100 to 0230 hours daily.** I examined the premises alongside the Plans submitted with the application and discovered the plans to be inconsistent with the buildings. In particular with the size and shape of the rear garden, the two rear garages and the store/cold room. There was no fire escape signage or fire fighting equipment in the rear garden or rear garages, both garages were locked by metal shutters. The fire door at the rear of the

premises was blocked with oil drums and other kitchen equipment. The front of the premises to the right of the door now consists of bifolding windows these are not described on the plans.

Police request the following conditions be attached to annex 2 of the premises licence

CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council upon request.

CCTV cameras shall be installed to cover the entrance of the premises and the external areas

The CCTV system shall be capable of obtaining clear facial recognition images and a clear head and shoulders image of every person entering or leaving the premises.

A personal Licence holder shall be present on the premises and supervise the sale of alcohol throughout the permitted hours for the sale of alcohol.

Any staff directly involved in selling alcohol for retail to consumers, staff who provide training and all managers will undergo regular training of Licensing Act 2003 legislation. This will be documented and signed for by the DPS and the member of staff receiving the training. This training log shall be kept on the premises and made available for inspection by police and relevant authorities upon request.

A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.

Notices asking customers to leave quietly shall be conspicuously displayed at all exits.

A "Challenge 25" policy shall be adopted and adhered to at all times.
