On behalf of Regulatory Services (Environmental Health) I would like to make representations to the Variation.

On the following grounds:

- Noise generated by patrons in external areas of the premises e.g. beer garden.

The following conditions must be read and agreed to by the applicant if variation is to be granted

Prevention of nuisance from noise/vibration

Airborne

No form of loudspeaker or sound amplification equipment is to be sited on or near the exterior premises or in or near any foyer, doorway, window or opening to the premises.

Signs shall be displayed in the beer garden/on the frontage instructing patrons to recognise the residential nature of the area and conduct their behaviour accordingly – The management reserve the right to ask patrons to move inside the premises or leave if it is felt that they could be disturbing neighbours.
