## **LICENSING CONSULTATION -INTERNAL MEMO**

**To:** Hamida Moalin  
**From:** Jason Nelson  
**Cc:**  
**Date:** 10/10/2018  
**Premises:** 5-7 Wembley Hill Road, Wembley, HA9 8AF  
**Type of Application:** Variation  
**Reference:** 13498  
**Licensing activities:** Extend operational hours.

Dear Ms Moalin,

I would like to confirm that I have considered the above proposal with regard to the prevention of public nuisance.

On behalf of Regulatory Services (Environmental Health) I would like to make representations to the Variation.

On the following grounds:

That the proposed operating hours are inappropriate due to the close proximity of residential dwellings. The noise caused by patrons exiting the premises and finding suitable transport home is likely to be detrimental to the residential amenity.

The operating schedule does not address the prevention of public nuisance from:

Noise from patrons exiting the premises.

### **Objection**

Nuisance Control objects to the proposed hours as there is not suitable parking for patrons who double parks outside on double yellow lines and causes obstructions to large vehicles trying to pass.

As the property is now a restaurant the proposed hours will give rise to loitering around when smoking and causing public nuisance.

### **Informative**

I would recommend the following alterations/conditions to the operating schedule:

The applicant is to provide evidence of sound proofing the premises that will avoid noise breakout from amplified & live music, so local residents will not be affected.

### **Conditions if granted**

***Patrons entering/exiting premises.***

Signs should be displayed instructing patrons to respect the neighbours and behave in a courteous manor

A licensed door supervisor will be positioned on the exit door to ensure, as far as reasonably practical, that patrons leave in a quiet and respectable manor

**Operating hours**

That the premises closes no later than midnight Sunday to Thursday and 2am Friday & Saturday.
