NW08_Retail Unit 03,04 &05 [construction unit 9, 10 & 11]

KEY:
 SITE LOCATION
 UNIT DEMISE

SIGNIFICANT HEALTH AND SAFETY RISKS (UNUSUAL AND DIFFICULT TO MANAGE ONLY)
 It is assumed that all works will be carried out by a competent contractor in accordance with the relevant standards and regulations. In addition to the above, the contractor should be made aware of the following details on the drawing, note the following:

This scheme is subject to town planning and all other necessary consents. Dimensions, area and levels where given are only approximate and subject to site survey. All dimensions are to be checked on site. Any discrepancies between the drawings and the site should be reported to the architect before the relevant construction. Figure dimensions only are to be taken from this drawing. This drawing is to be used in conjunction with all relevant consultations and/or specialist drawings, documents and any discrepancies or variations are to be reported to the architect before the relevant construction. We are to be reported to the architect before the relevant construction. The use of the content of these files is at your own risk. References should be made to the relevant drawings and documents when necessary. Any document produced by contractors which contains part or all of this content is to be treated as confidential. Leslie Jones make every effort to ensure that it is accurate for the site. We cannot guarantee that it does not contain any errors.
